I have attached the calendar for the year, beginning the weekend of Sept. 25. Special Masses throughout the year are indicated in bold typeface. There is one more year before another Messiah, so this year is **Festival of Lessons and Carols**. Sacred Heart will again host the event on Dec. 3 at 3:00. Please enter this into your phone and computer calendars. We will be organizing it as we did last year, with you joining the choir, whose rehearsals best fit your schedule.

Looking forward to seeing you all on Sept. 24 at 8:15.
